EY Global Trade Update

June 2024

Building a better
working world

Welcome

Jeroen Scholten

Global Leader of EY Global Trade practice

jeroen.scholten@nl.ey.com

Welcome to the latest edition of TradeFlash newsletter, a round-up of the latest developments in Global Trade around the world – featuring materials available on ey.com, including insights, tax alerts, webcasts and podcasts.

The Contacts section lists EY Global Trade professionals from around the world, all of whom will be very pleased to discuss any trade issues that affect your business.

This newsletter is issued on a recurring basis as a companion to TradeWatch, our interactive trade magazine that provides insights on customs and trade matters worldwide. Recent editions of TradeWatch can be found on our [global trade page](#)

[on ey.com](https://ey.com). Look out for the next regular edition of TradeWatch in July 2024.

We hope you find this newsletter useful and would welcome your feedback.

Kind regards,

Jeroen Scholten

EY | Building a better working world

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.

TradeFlash is a regular update prepared by EY Global Trade groups. For additional information, please contact your local Global Trade professional.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. Information about how EY collects and uses personal data and a description of the rights individuals have under data protection legislation are available via ey.com/privacy. EY member firms do not practice law where prohibited by local laws. For more information about our organization, please visit ey.com.

About EY Global Trade practices

EY teams bring you a global perspective on Global Trade. The Global Trade EY professionals can help you develop strategies to manage your costs, speed your supply chain and reduce the risks of global trade. They can help to increase trade compliance, improve import and export operations, reduce customs and excise duties and enhance supply chain security. They help you to address the challenges of doing business in today's global environment to help your business achieve its potential. It's how EY teams make a difference.
